Web Site IEEE ICTMOD 2018: www.ciems.ma/conference

Important Dates:

Deadline for special session proposal :	May 30, 2018
Notification of proposal acceptance :	June 15, 2018
Submission deadline for special session papers :	September 01, 2018

Description:

As part of the IEEE ICTMOD 2018 technical programme, a limited number of high quality Special Sessions will offer insight into new or emerging topics of interest to the technology management, operations and decisions research community. Special Sessions will be intermixed with regular sessions during the conference and they will consist of 5 oral presentations.

The organizing committee welcomes special session proposals, which should contain the following information:

- A topical title for the special session and the names of the organizers;
- The titles, authors (plus affiliations), and short abstracts (100 words each) of 4 or 5 papers to be included in the special session;
- Brief biographies of the session organizer(s) and their contact information;
- Any other relevant information.

If accepted, the papers will be eligible for publication in IEEE Xplore®.

To be published in the IEEE ICTMOD Proceedings and to be eligible for publication in IEEE Xplore®, an author of an accepted paper is required to register for the conference at the full or limited (member or non-member) rate and an author of that paper at the conference must present the paper.
